Michael has completed his project. After hard copies have been on the market for a while we'll post it on the CHC website.

6. Historic Site Markers.

- Sacramento Field marker installed.
- CDD has requested a marker for Broadway Common (Sennott Park) for 2019.
- A tentative CPA request has been made for funds to replace deteriorated African-American markers in FY 2019.

7. City portrait collection. Kit installed the portrait of former Mayor David Maher in the Council Chamber on the wall behind the mayor's dais, to the right of Al Vellucci. (We don't choose the positions of the portraits – that's way above our pay grades.)

8. Cambridge Women's' History Project (Sarah Burks). Woman Suffrage research underway in anticipation of the centennial of 19<sup>th</sup> Amendment in 2020.
9. PreservationMass (Sarah Burks). Met with PMI to discuss effects of *Caplan vs. Town of Acton* on our Institutional Preservation Grant program.
10. Dog Parks Committee (Sarah Burks). We continue to resist efforts to sanction dog use at Long-fellow Park.

11. **Digital permits. The Energov online building permit system that has been in use for the last couple of years is being supplanted by a new system that will offer a better customer experience, but will probably require the same major time commitment from staff.**
12. CHC's Flickr site: <https://www.flickr.com/people/cambridgehistoricalcommission/>.
13. CHC's Facebook page: <https://www.facebook.com/cambridgehistcomm/?fref=nf> (338>364)

15. Light Cambridge (Sarah Burks). We sent a report to the City Manager outlining measures to establish a Light Cambridge advisory committee that could carry out such a program. Updated the Manager on 9/13/17. **Ken Taylor is working on a demonstration project at the Main Library.**
16. African American Trail. In FY2016, the City Council appropriated money to the Commission for expansion of the African American Heritage Trail. We hired Christle Rawlins-Jackson as project consultant; she has met with the Heritage Trail Alliance and staff at the commission and the historical society, and is compiling an initial list of possible new marker subjects. We have asked the Mayor to form an advisory committee to guide the choice of new marker candidates.
17. Solar policy. CDD staff and consultants have advised on a solar installation policy that staff will recommend for adoption by all commissions.

#### **XIV. Coming Events.**

1. **Preservation Awards. Another smashing success on May 31 at Mount Auburn Cemetery.**

#### **XV. Budgets, Personnel, and Facilities.**

1. The Massachusetts Cultural Council has renewed our annual Cultural Investment Portfolio Grant in the amount of \$7,300. These funds are mainly used to pay for archival support.
2. **Survey Director Susan Maycock, who began as a contract employee of the Commission in 1968, retired on June 1. We received 30 resumes and will be conducting interviews during the weeks of July 9 and 16.**
3. **CHC's FY2019 budget request including expanding the Survey Director's position from four days a week to full time has been approved.**
4. **Samantha Elliott delivered a baby girl, Grace, on May 31. She will return from maternity leave on August 13 to work for one week before leaving permanently. We are advertising her position also.**
